

Payment instructions - self service

Dear guests

Welcome to Hamrar camping. We are open all year around and you are welcome to use our facilities that are open at any given time. The campwarden may not always be on site but you can call us (+354 8630725) between 08.00 and 24.00 if you need any help. If we are not on site, you can make a booking at <https://booking.hamrar.is> and pay with a card or fill out the self service booking form and take care off the payment with cash.

Use the online booking/registration to pay by card

<https://booking.hamrar.is>

Fill out the online booking form and take care off the payment online. You will receive an email with your booking confirmation that you should have available to show our staff if they ask for it.

To make it easier for the staff to monitor the payment of accommodation fees, we ask for the license plate number of the relevant accommodation unit and/or vehicle.

With this, we try to minimize the inconvenience that our guests experience due to the collection of accommodation fees and make it easier for them to access the area.
